*There will be a Binder at the Welcome Desk with this schedule. Please CIRCLE the winner and write in score. Have score correspond with side of team listed. Please see example below. Mark scores EACH time after playing matches.

2.19.18

Example:

1 vs 2

Results

11-4, 8-11, 13-11 * Team 1 would be the winner and be circled...I know this is incredibly anal but I've have problems

in the past with getting scores recorded right with other leagues.
